Well, I want to make love to you tonight
 I can't wait till the morning has come
 And I know now the time is just right
 And straight into my arms you will run
 And when you come, my heart will be waiting
 To make sure that you're never alone
 There and then all my dreams will come true, dear
 There and then I will make you my own
 And every time I touch you, you just tremble inside
 And I know how much you want me, that you can't hide
 Can I just have one more moon-dance with you, my love?
 Can I just make some more romance with you, my love?
