

I want to say to my sisters and my brothers
Keep the faith
When the storm rages and the wind blows
We can run at a steady pace

When the battle is fought, and the victory's won
We can all shout together, we have overcome
We'll talk to the Father and the Son
When we make it to the promised land

CHORUS:

Come on and walk together, little children
We don't ever have to worry
Through this world of trouble
We gotta love one another

Let us take our fellow man by the hand
Try to help him to understand
We can all be together, forever and ever
When we make it to the promised land

VERSE:

This world is not our own,
We're only passing through,
Our treasure's all laid up
Way beyond the blue,

Let's do the very best that we can
While we're traveling through this land
We can all be together,
Shakin' our hair,
When we make it the Promised Land.

VERSE:

Our bible says
Thou shall not be afraid children
Of the terror by night
Nor the arrow that flies by day

Nor for the pestilence
That goes creeping around in the darkness
Nor for the destruction
That's waiting in the noon-day hour
