If you walk through the garden you gotta watch your back

E

Well I beg your pardon walk the straight and narrow track

Bm

If you walk with Jesus he's gonna save your soul

Bm

You gotta keep the devil way down in the hole

Bm

He's got the fire and the fury at his command

E

Bm

Well you don't have to worry if you hold on to Jesus hand

Bm

We'll all be safe from Satan when the thunder rolls

F#7 E

Bm

Just gotta help me keep the devil way down in the hole

Bm

All the angels sing about Jesus' mighty sword

E

And they'll shield you with their wings and keep you close to the lord

E

Don't pay heed to temptation for his hands are so cold

F#7 E

Bm

You gotta help me keep the devil way down in the hole
